

Rose and Blue Petal Showcase Quilt

Wow! Super original design by C Jean Horst. Look at the shape of the rose buds and the orchids. Also note the care taken in the use of the lace framing the center design and around the border, and the abundance of quilting in the center of the quilt. Signed in embroidery and dated by its designer C Jean Horst. Quilted with care by an Amish woman. Copyright pattern – directions are unavailable.

Quilt ID: hs423
