

Blooming Nine Patch

Wow! Stunning quilt with black and white prints selected by C Jean Horst. Note the unusual adaptation of the nine patch design and how cleverly Jean employs it to move from light to dark. Excellent patchwork piecing and fine quilting. Made here in Lancaster by an Amish woman. Photographs can not begin to capture its beauty! Note photos are of a 'twin' quilt (made with same fabrics but no longer available). This quilt is symmetric and may be used sideways on a king size bed.
