

## Blooming Nine Patch

A modern quilt design with beautiful fresh 100% cotton fabrics in lively but pleasant coral, yellow, sage and gray colors selected by C Jean Horst. Note the unusual patchwork design and how cleverly Jean employs the fabrics to move from one color into the next. Excellent patchwork and fine quilting. This quilt would look fabulous if you turned back the pillow throw and stacked pillows on the head end because the quilt back is repeated in the fabric print that is in the top side. Fabric selections with quality backings of the same like print is a normal for Jean's quilts and sets them apart from all the others. Made here in Lancaster County by an Amish woman. Photographs can not begin to capture its beauty!
