

Tumbling Blocks Nine PatchQueen

New pattern! What a charming but beautiful quilt in blacks, mediums and light prints. This pattern is an original by C Jean Horst and will be available is NOW available for our fellow-quilt makers!!! Please email cjh@amishcountryquilts.com if you would like to receive information on purchasing the pattern.

BUT for the quilt buyer who has NO interest in sewing, this quilt is available finished. It is a tumbling blocks that has 9 blocks of dark fabrics, 9 blocks of medium fabrics and 9 blocks of light fabrics grouped together to make each large block. A real interesting grouping of many fabrics are used to create each of the sides of the blocks. It was pieced by an

Amish woman and quilted using 8 hand stitches per inch. A nicely arranged design. And if you would like your own colors, we can do a special order quilt if you give us 6 -7 months times.
