

## **Feather Dance in Bright colors/white Queen Size bed**

This is a brand new quilt pattern for C Jean Horst and an immaculate display of hand quilting includes several types of feathers. Especially beautiful feather border design (see corner photo) dancing around the entire perimeter of the quilt. The bright fabrics on white are perfect for a perky look and will blend with an assortment of colors in your room. The fabrics are all 100 % quilter's cotton.
